Other tips/Recommendations

If you are visiting Atlanta you do not need a passport however, if you are flying out of the Atlanta airport please arrive 2-3 hours early. Atlanta Hartsfield- Jackson International Airport in one of the largest airports in the united states and the lines can get very long ! I highly recommend having Global Entry or TSA Pre-check when departing out of this airport especially if you are flying international so that you can have a smooth process getting through the airport. Link below

Some of these spots are not directly located in "Atlanta" you would have to drive a little further out for a few of these places. There is soooo much to do in Atlanta, but these are just a FEW spots

I would recommend. To do a vibe check I would recommend checking out the location Instagram or Tiktok to see if its a place you really want to visit !
